Headteacher: Miss S Corry

17th January 2025

Dear Parents / Carers,

I am writing to you on behalf of the School Governors following our recent Ofsted inspection.

We are pleased that Ofsted has recognised the many improvements at The Dasset, including the positive learning environment and the broad education our children receive, preparing them well for the future. This reinforces our ongoing commitment to continuous improvement. The report also acknowledges the hard work of our leadership team in driving this progress, and we are confident that with your continued support, we will build on these improvements.

While there are areas identified for further improvement, we are fully committed to addressing them alongside the school leadership. As the Governing Board, we will be working closely with the leadership team to monitor progress, provide strategic guidance, and ensure that the required actions are implemented effectively.

If you would like to discuss the role of Governors in supporting the school's next steps, I am available to meet with any parents. Please contact me via the School Office or at wakeley.p1@welearn365.com to arrange a convenient time.

Additionally, we currently have vacancies for Parent Governors and will be sharing more information in the coming weeks. If you are interested, please feel free to contact me.

Thank you for your continued support.

Yours faithfully

Dr Paul Wakeley
Chair of Governors
