What do people celebrate together? Which places are special? How does it feel to be part of a group?

Who are the people in sacred stories and why might they still be important today? What makes a story special? Why are stories about Jesus so important to Christians? How does the nativity story affect me?

Can stories teach people how to behave? What can people in scared stories teach us about making a good choice? What qualities does a good leader have? Who helps to make good choices today?
