The Dassetts News - 18th July 2025

Reception—Wow – the end of the academic year has finally arrived. It only seems like 5 minutes ago we started crossing the days off the calendar back in September! It has been an action-packed last week. The children had filled the pom-pom jar and their treat was going in the paddling pool, and very well deserved it was too! Throughout the year the children have continued to impress me with their kindness towards each other and their ability to follow our school rules. The children were still keen to read their Rhino reader books right up to the last minute. Remember you can still access these over the holiday and this will really help the children with their fluency. The children practised adding amounts using pennies in a tens frame, if needed, as they put their orders at the Hungry Caterpillar Café – thank you to Year 6 for your help! They thoroughly enjoyed the House Points Winners Carousel on Wednesday afternoon with yoga, céilidh dancing, board games and mindfulness colouring and movie. You have been an amazing Reception Class, Hedgehogs – I will certainly miss you next year! Have a fabulous summer break.

Year 1/2— What a brilliant end to the Summer term, well done Squirrel class! Highlights have included brushing up on our times tables through a range of activities and games in maths, creating our own class version of the The Big Book of the Blue in English and illustrating it using watercolour-I am truly blown away with the artistic talent in this class! We also thoroughly enjoyed our house treat afternoon where we got to play board games, complete mindfulness colouring activities, yoga and outdoor activities. It has also been wonderful for me to catch up with lots of parents this week during parents' meetings, sharing lots of successes and achievements from the year! Over the summer holidays I hope you are able to relax, spend time with your friends and families and get outside as much as you can. I look forward to seeing you all in September, fully rested and raring to go!

Year 3/4—This week we have completed our curriculum studies, coming a little off timetable around Monday's Y5/6's Dress Rehearsal to the school, Wednesday afternoon's House Group Golden Time and Thursday's Leavers' Assembly. In English, we have written poems about what we are looking forward to about the summer holidays. In maths we completed our work on statistics looking at bar charts, line graphs and two-way tables. We completed our PSHE 'Changing Me' lessons. On Friday, to conclude our French lessons, we enjoyed a French Cafe morning, complete with pan au chocolates, croissants, baguettes with cheese, ham, spicy sausage, salad and tomatoes accompanied by traditional French (accordion) music. We then concluded the week with some calming art curriculum work based on Islamic geometric patterns.

Year 5/6 - We have had lots of fun in Year 5/6 in our final week! After what felt like months of hard work, we pulled off a magnificent performance not only for the school but for our parents on Tuesday night. A well done to all the children, they really pulled it out of the bag and I couldn't have been more proud of them! We then commenced working on our leavers' assembly which despite the dodgy internet was a great success there was barely a dry eye in the house. We ended up the week with a water fight! The kids had great fun and were incredibly lively. A massive thank you to all the children for their hard work this year. Year 6, you have been absolutely fabulous and we will miss you dearly. Keep being your selves and you will absolutely love secondary school!

Music Award

Well done Tommy Wagstaff for getting the half term Music Award. Tommy has been awarded this for his enthusiasm for learning the piano is infectious. He has made impressive progress this year. Well done Tommy.

Parent Pay

We would be grateful if all Parent Pay accounts could be settled for the end of the academic year.

The Friends of The Dasset

Thank you to all those who attended The Friends event on Saturday afternoon. We hope you enjoyed it as much as we did. We raised over £500. We would like to take this opportunity to thank you for your support over the last year. If you would like to get involved we are always looking for committee members and help. Look out for our AGM next term.

Head Teacher Award

Well done to Harry and Georgia for their amazing poetry titled A Lovely Life

A Lovely Life

Looking forward to summer hols

I'm going to lie in bed,

And rest my head,

Wake up and see my cat,

Give him a gold ol' pat.

Go and play in my pool,

And act like a fool,

Have twenty ice-creams,

And chase my dreams.

Play with my hamster "Sprinkles".

And hug my nan (who has no wrinkles)

Make an awesome comic

And play with Lego Bionic

And I'll eat loads of sweets,

And listen to epic beats,

Play lots,

And make robots.

Do arts and crafts,

And Comic drafts,

Annoy my cousin,

Times a dozen.

Lastly go to Alton Towers

And pretend I have super powers!.
